Chief Reed notified the Board of a complaint letter. The Chief was informed that Reuben Hull, the Town Planner, would be in later tonight to discuss this matter.

Reuben Hull was in to discuss the noise complaint submitted by one of the town residents. Reuben stated that our regulations are quite restrictive, but not necessarily out of line with other communities. Reuben was requested to further research noise ordinances in other communities to determine how they are enforced and confirm that our ordinance is not overly restrictive.

Brian Hart, Wolfe Tone, and Gregg Caporossi came to the meeting to advise that the goal has been met on the Greenway Project.

James made a motion to adjourn at 9:42pm. It was seconded by Janet and all were in favor.

Respectfully submitted,
